

Corrigendum

of 26 April 2018

to Annexes I and Ia of the Decision of the Agency for the Cooperation of Energy Regulators No 04/2018 of 24 April 2018 on all transmission system operators' proposal for intraday cross-zonal gate opening and intraday cross-zonal gate closure times

In Annex I, Article 4(2):

for: 'On the bidding zone borders of a capacity calculation region where intraday capacity calculation methodology has not been approved by 31 November 2018, the implementation of this IDCZGOT shall be postponed until 30 days after the approval of the intraday capacity calculation methodology in accordance with Articles 20 and 21 of the CACM Regulation.'

read: 'On the bidding zone borders of a capacity calculation region where intraday capacity calculation methodology has not been approved by 30 November 2018, the implementation of this IDCZGOT shall be postponed until 30 days after the approval of the intraday capacity calculation methodology in accordance with Articles 20 and 21 of the CACM Regulation.'

In Annex Ia, Article 4(2):

for: 'On the bidding zone borders of a capacity calculation region where intraday capacity calculation methodology has not been approved by 31 November 2018, the implementation of this IDCZGOT shall be postponed until 30 days after the approval of the intraday capacity calculation methodology in accordance with Articles 20 and 21 of the CACM Regulation.'

read: 'On the bidding zone borders of a capacity calculation region where intraday capacity calculation methodology has not been approved by 30 November 2018, the implementation of this IDCZGOT shall be postponed until 30 days after the approval of the intraday capacity calculation methodology in accordance with Articles 20 and 21 of the CACM Regulation.'
