

Outage periods of 400 kV overhead transmission lines - 2014

Device/Overhead line	January	February	March	April	May	June	July	August	September	October	November	December	Comment
V404								18- -31					
V405				14- -17									
V406							7- -11						
V407		3- -23											
V408					5- -30								
V409						16- -30							
V410	1-					-30							
V424									22-	-10			
V425				28-	-2								
V426		24-	-23							11- -11		1- -19	
V427									29-	-3			
V428				14- -17									
V429									8- -21				
V439							1- -20						
V440			24- -30					26-	-6				
V448									8- -21				
V449										6-	-9		
V461									2- -5				
V477							21-	-15					
V478							21-	-15					
V487									22- -26				
V488									8- -12				
V489									15- -19				
V490									22- -26	11- -11			
V491										6- -11			
V492			31-	-13									
V493	20-	-2		22- -25									
V494			24- -30										
V495						16- -30							
V496						16- -30							
V497						9- -13							
V498								16- -17			10- -28
